- Reserve officers in the Bulgarian army are being recalled constantly for a
 three-month period of instruction. A small number of retired reserve officers are being recalled also. Only reservists who are considered bona fide
 by the Communist Party of Bulgaria are among those recalled.
- 2. The purpose of this temporary recall is to train the reserves in the use of the new Soviet arms with which the entire Bulgarian army is being furnished. Reservists are being recalled in small but constant numbers and for this reason there are always reserve officers and specialists in Bulgarian units.
